

## Philadelphia, University of Pennsylvania, Rare Book & Manuscript Library, Ms. Codex 1271

*Description:* ff. iii + 120 + iii - 18th-century Italian binding in half sheep and patterned paper over pasteboards (Christie's); spine lettered in gilt, IO. D. THO. OP. VAR MS. - Possibly formerly owned by the Dominican convent of San Domenico, Gaeta, before the 19th century, based on binding and other characteristics identical with those of another former Hispanic Society of America manuscript (HSA B2566) with an ownership inscription from the convent. Those characteristics include an Italian inscription on the back pastedown giving the number of leaves and ending "Segnato N. AP," and a brief 19th-century description of the contents in French on a single small sheet of paper, laid in the front. Formerly in the collection of the Hispanic Society of America (New York), manuscript no. B2716, from before World War I, sold 2008. Sold at auction at Christie's, 12 Nov. 2008 (lot 18) - Faulhaber, Charles H. Medieval Manuscripts in the Library of the Hispanic Society of America: Religious, Legal, Scientific, Historical, and Literary Manuscripts, New York 1983, p. 53-54, 90-108 (no. 43, 79-106)
